Installing the Smarter Drafter Word Add-in

The Smarter Drafter Word Add-in can be installed in two ways:

- 1. Directly from Microsoft Word.
- 2. From the official Microsoft App Marketplace.

Note: The easiest way to start using the Smarter Drafter Word Add-in is to enable it from within Microsoft Word.

Install from within Word

1. Click the Developer tab and click Add-Ins.

2. Click the button to visit the Office Store.

- 3. Type "Smarter Drafter" into the search bar.
- 4. Click Add.
